Manage the talent pipeline for educators in alternative environments

EdForce Solutions: Innovative pipelining to solve teaching shortage

TutorEd: Comprehensive learning support for students
Scaling Test Prep for Teachers At Risk

• Partnership to support Atlanta Public Schools “Grow Your Own” initiative

• For the past several years, PCG has helped these teachers with in-person coaching.

• PCG & Core Learning Exchange have partnered to facilitate this coaching using the Core-LX mastery-based learning platform

• Solution requires assessing and developing both subject matter knowledge and basic test taking competencies.

38% of SPED Teachers Fail certification exam on first attempt
Core Learning Exchange Solution

• PCG partnered with Core-LX b/c common work on CASE & CLR
• PCG licensed white label version of Core-LX
• PCG & Core-LX developed a competency-based model for test for Praxis and WEST-E
• PCG developed test-taking success factors framework
• PCG provided its scope and sequence for its coaching framework
• Core-LX transformed it into a personalized competency-based course by defining a set of open badge awards
It starts with CASE...

Open SALT
