First Step

The screenshot displays the MyKaty Cloud library homepage. At the top right, the user is logged in as "Rankin, Darlene B (INST TECH)". The main area features a grid of 30 educational resource tiles, organized into three rows of ten. The tiles include various databases, encyclopedias, and subject-specific resources. At the bottom, a navigation bar lists different sections of the library system.

KATY ISD

Welcome to AP US History online!

Course Overview

Advanced Placement United States History is a full year, general survey course that covers American History from pre-Columbian to the present. The newly redesigned course focuses on historical thinking skills and themes that encourage students to approach the learning of content as if they were historians. Additionally, the course exposes students to extensive primary and secondary sources and to the interpretation of various historical interpretations. Special emphasis is placed on critical reading and essay writing to help students prepare for the AP examination.

Course Structure

This course is organized in units called modules. Each module can contain files, discussions, assignments, quizzes, and other learning materials. Students are expected to move through the modules in order.

When you access Modules, you will see the full course sequence.

1. Modules can be filled with different types of content including pages, discussions, assignments, quizzes, links, and other requirements.
2. Module content be [collapsed and expanded](#) by clicking the **expand/collapse** arrow.
3. Some module content will have
