- ✓ Equitable access to information

Foundational Leadership Building Blocks
COST$
How do we build the capacity of 1,200 teachers to make artful pedagogical decisions that include technology as a vehicle for meaningful learning, critical thinking, problem solving and collaborating?
LMS Curriculum Instruction Resources Environment
ESSENTIAL BELIEFS

Wayne Learning Hub

Curriculum & Content
These questions will help you in your conversations with publishers or other online content providers. This guide can serve as a starting point in determining integration capabilities of various vendors.

Do you have the ability to integrate within an LMS?
PURCHASE
CONSIDERATIONS

1. LMS integration?
2. IMS Global Integration?
3. User Provisioning?
4. Current integrations?
