LMS INTEGRATION: BRIGHTSPACE

The screenshot displays the Brightspace LMS interface for the 'Design Technology' course. The top navigation bar includes the Brightspace logo, the course name 'Design Technology', and user information 'EvaSys Instructor'. Below the navigation bar, the course title 'Design Technology' is prominently displayed. The 'EvaSys Surveys' section is active, showing a 'My Survey Dashboard'. The dashboard lists three surveys:

Survey Name	Survey ID	Current Response	Final Response	Progress	Additional Info
Design Technology	06-AD-2734	5 of 40	-	13 %	Closes in 6 Days 31.08.2017 at 17:05:00
Design Projects	03-AD-2835	-	395 of 478	83 %	View Report
Introduction to Programming for Architecture and Design	07-AD-3835	82	-	-	-

LMS INTEGRATION: BLACKBOARD

The screenshot displays the Blackboard LMS interface. At the top, a dark navigation bar includes a user profile for 'Mason Nolan' and a power icon. Below this, a secondary navigation bar shows 'My Institution', 'Courses' (highlighted), 'Community', and 'Services'. The main content area is titled 'My Survey Dashboard' and features the 'EvaSys Survey Automation Suite' logo. The dashboard lists three surveys:

Survey Name	Course ID	Current Response	Final Response	Progress	Additional Info
Design Technology	06-AD-2734	5 of 40	-	13 %	Closes in 6 Days 31.08.2017 at 17:05:00

Below the survey list is a 'Did You Know?' section with a lightbulb icon and a bulleted list:

- Your survey results are anonymous!
- Every survey has a minimum number of students who must respond in order for instructors to receive a summary report. This further protects your anonymity.
- We encourage you to participate and help your university understand instructional effectiveness and plan continuous improvement initiatives.

EVAEXAM: QTI

Exchange of items and tests

CHALLENGES

- Getting started
 - Different LTI versions
 - Choose the right version
 - Understand differences
- Providing an overview about open surveys vs. show only course specific content

NEXT STEPS

- Deeper Integration
- Move more functions into the LMS
- Benefit from new versions of LTI
